Item no 99.031.4

Open-spring mattress:

Open-spring mattress, 18 cm high, size 100 x 200 cm, with increased number of springs. Other sizes available on request.

Item no 99.031.2

Reha-Star mattress:

The Reha-Star mattress complies with hospital standards and is suitable for people up to 90 kg. This mattress offers optimal adaptation to the patient's shape through a division into zones (shoulder comfort zone, strengthened central zone, lumbar support). In addition, it has built-in lengthwise and crosswise channels that ensure optimal air circulation. Its very high elasticity and ability to recover its original shape guarantee an excellent sleep surface.

The mattress adapts well to your body, so that even, all-over support is ensured, something that is very important for a good night's sleep. Other sizes available on request.

Item no 99.031.3

Cold-foam mattress:

Cold-foam mattress, size 100 x 200 cm, removable, washable cover. Other sizes available on request.

Item no 99.031.5

Pocket-spring mattress:

Pocket spring, 24 cm high, size 100 x 200 cm, approx. 450 springs and side bar in composite foam for exceptional stabilisation. From a weight of 150 kg. Other sizes available on request.
