

Savoir-vivre

Strong as an animal through everyday life – our ergonomic beds offer your child the ideal conditions for a healthy sleep.

This model combines safety with comfort. The electric lying-height adjustment is especially useful when it comes to the daily care of handicapped people.

Electric height adjustment

Head- & footrest manual or electric adjustment (option)

Savoir-vivre

Optimum protection thanks to fixed skai-padding

Your child is very active? With the firmly integrated skai-padding (75 mm height), you offer your child optimum protection.

For more information on the different padding options, see page 69/70!

ID: 18629

ID: 19140

ID: 19037

ID: 19833

ID: 19778

Our skai-padding is in many colours available!
 You can find a pre-selection on our website at:
www.savi.de/skai-padding

Optimal view thanks to integrated vinyl windows

The integrated vinyl windows fit flush with the firm skai-padding and thus offer a similar padding effect to the permanently integrated foam padding. The windows offer an optimal view. So you keep an eye on your child easily and your child feels visibly more comfortable.
